

**FINING AGENTS**

**ATOCLAR M**

Cold-soluble, powdered gelatin

	<p><b>COMPOSITION</b> Ultra-pure, food grade, micronized gelatin.</p>
	<p><b>GENERAL CHARACTERISTICS</b> Atoclar M is a white powder which is odorless, tasteless, and completely soluble in cold water. Atoclar M is highly effective in removing undesirable harsh tannins. It is particularly suited for softening press wines and young red wines that have excessive astringency at the front of the palate.</p>
	<p><b>APPLICATIONS</b></p> <ul style="list-style-type: none"> <li>▪ Clarification of juice obtained by pressing or by maceration</li> <li>▪ Flotation</li> <li>▪ Clarification of press wines</li> <li>▪ Tannin removal in young wines or those with marked astringency, especially in the front of the palate</li> </ul>
	<p><b>DOSAGE</b> 5 -15 g/hL in juice. 2 - 10 g/hL (0.2-0.8 lb/1000 gal) in white wines. 8 - 15 g/hL (0.7-1.2 lb/1000 gal) in red wines.</p>
	<p><b>INSTRUCTIONS FOR USE</b> Slowly dilute one part Atoclar M into 10 parts water at room temperature, stirring continuously. The resulting solution cannot be stored and must be used immediately. To identify optimal dosages and avoid over-fining, carry out preliminary laboratory trials using incremental doses of gelatin, alone or combined with other fining agents. To enhance the clarifying effect, add gelatin gradually and evenly to wine to be treated, preferably using a Venturi tube or dosing pump, into at least half of the total volume.</p>
	<p><b>PACKAGING AND STORAGE CONDITIONS</b> 20 kg</p> <p>Sealed package: store in a cool, dry and well-ventilated area. Opened package: carefully reseal and store as indicated above.</p>
	<p><b>COMPLIANCE</b> The product is in compliance with the following specifications: Codex CEnologique International</p> <p>Product approved for winemaking in accordance with: Reg. (UE) N. 934/2019</p> <p>Product approved for winemaking by the TTB. Legal Limit: N/A</p>

The indications given here correspond to the current state of our knowledge and experience, however they do not relieve the user from compliance with safety and protection regulations or from improper use of the product.
