

## CONFORMITY DECLARATION FOR ENARTIS PRODUCTS ALLOWED FOR PRODUCTION OF ORGANIC WINES AS PER REGULATION (EU) N. 2021/1165

The ENARTIS division of Esseco S.r.l declares that:

- Oenological products listed below, sold and/or manufactured in its plant, are products made with substances approved for the production of organic wines in accordance with Annex III of Regulation (EU) N. 2021/1165;
- in conformity with Regulation (EC) N. 834/2007, they are not genetically modified and do not come from genetically modified raw materials or microorganisms; they haven't been treated with ionizing radiations; they are not subjected to risk of cross-contamination with genetically modified products;
- they are not obtained by sludge derived from water treatment plants.
