

POLITICS OF FOOD QUALITY AND SAFETY

Enartis Srl understands that adopting a Quality and Food Safety Management System based on a process approach is a strategic decision that improves overall quality and food safety performance.

Although **Enartis Srl** is a new company, the Enartis brand has more than 20 years of experience with an innovative and dynamic vision. Its main goal is to always provide safe and quality products to its customers. To achieve this goal, management has decided to adopt a Quality and Food Safety Management System based on the following guidelines:

- **DELIVER** customer satisfaction through understanding customer needs and expectations.
- **MAINTAIN** the highest level of quality and food safety in all our products, complying with current legal requirements.
- **PROVIDE** the necessary means and tools to ensure food safety and product quality.
- **ANALYZE** potential hazards through the establishment of prerequisite programs and the HACCP plan.
- **PROMOTE** staff education and training on the standard of food safety requirements.
- **CREATE** internal and external communication channels to respond to inquiries about the food safety of our products.
- **ESTABLISH** measurable goals by defining responsibilities and deadlines for implementation.
- **ASSURE** continuous improvement of the effectiveness of the system through periodic reviews (at least once a year).
- **COMMITMENT** to ensure that the company's activities are compatible with the safety of its employees and the protection of the environment and surrounding area.
- **IMPROVE** corporate image in food safety of products offered, resulting in increased market share.
- **COMMITMENT** to create strategies and goals to reduce product loss and waste.

Food safety and the quality of our products affect all areas of our company's activities and are the result of the attitude and daily work of the people who are part of the system with shared values, beliefs and standards derived from the culture of quality and food safety established in ENARTIS Srl.

This policy will be reviewed, updated and distributed to all members of the organization.
