

# UNICO #1 XO

## REDEFINING LUXURY IN WINEMAKING

Introducing EnartisTan UNICO #1 XO, an elite tannin extracted from the finest French oak. Thanks to the proprietary cold extraction method, this ellagic tannin preserves its delicate aromatic and sensory qualities, ensuring optimal impact on your wine's profile. UNICO #1 XO elevates ageing potential and enhances structure, while respecting your wine's organoleptic balance. Perfect for high quality white and red wines, it promotes superior sensory qualities. Choose UNICO #1 XO to craft refined, noble wines that display luxury and precision.

- Created using Enartis' proprietary low pressure and low temperature extraction technique to prevent oxidation and preserve delicate aromas.
- It is the "heart" of UNICO #1: The highest quality raw materials used to make UNICO #1 are specially selected to create this ultra-premium tannin.
- Builds structure and volume while reducing astringency for a velvety soft and smooth finish.
